Regulatory Compliance Statement

Atkins & Pearce, Inc. has been a leader in the manufacture of braided technical textiles for the past 200+ years. We credit this success to our close collaboration with our customers and vendors. As a converter of raw materials into our textiles, we rely on strong relationships with our vendors of our materials. Various regulations require our industry to take responsibility for managing health and environmental risks from certain substances. We are committed to working with our vendors to provide our customers with the necessary information to ensure safety and regulatory compliance.

Please see the list below for our policies and disclosures for REACH, RoHS 2 & 3, Dodd-Frank Conflict Minerals Act, the Toxic Substances Control Act, and California Proposition 65.

Atkins & Pearce, Inc. is committed to maintaining accurate and complete product information. We continue to review the various safety and environmental regulations with our vendors so that we can provide the most accurate and complete information to our customers. Please direct all inquiries related to these disclosures to your Customer Service and/or Account Manager.

European Union Regulation No. 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)

Atkins & Pearce, Inc., as a converter of raw materials, collaborates closely with its vendors to evaluate REACH compliance. We do not conduct any chemical testing on our raw materials or finished products to determine REACH compliance. We rely on information provided by our vendors and trade knowledge of the materials that go into our products. The products set forth below contain substances listed on the Candidate List of Substances of Very High Concern (SVHC) released by the ECHA as of **April 1, 2021**, in the relevant concentration of >0.1 percentage weight-by-weight (w/w). The Candidate list is available here: <https://echa.europa.eu/regulations/reach/understanding-reach>.

Product Line	Color	SVHC	CAS #
<i>Astra 703/105</i>	<i>Clear</i>	<i>Trixylyl Phosphate</i>	<i>25155-23-1</i>

European Union Directive 2011/65/EU, as amended in Directive 2017/2102 and 2015/863, Restriction of Hazardous Substances in Electrical and Electronic Equipment (RoHS 2&3)

Atkins & Pearce, Inc., based on the information provided by its vendors, as of July 23, 2019, does not use any of the compounds set forth in Directive 2011/65/EU, as amended in Directive 2017/2102 and 2015/863, in any of its products above the applicable threshold levels. For more information on this directive, see http://ec.europa.eu/environment/waste/rohs_eee/index_en.htm.

Dodd-Frank Wall Street Reform Act: Conflict Minerals Rule

Atkins & Pearce is committed to using safe and responsible minerals in its products. We work with our suppliers to monitor materials, and we do not use any of the Conflict Minerals set forth in the Dodd-Frank

Wall Street Reform Act in products. For a copy of Atkins & Pearce's Conflict Minerals Declaration, please see here: <https://www.atkinsandpearce.com/wp-content/uploads/2020/09/CMRT-June20.pdf>

Toxic Substances Control Act:

The U.S. Environmental Protection Agency recently restricted the use of several substances under the Toxic Substances Control Act. Atkins & Pearce products are compliant with these new regulations. Based on the disclosures of our suppliers, none of these substances appear in our products.

California Proposition 65

In accordance with the State of California Safe Drinking Water and Toxic Enforcement Act of 1986 ("Prop. 65"), customers of Atkins & Pearce must include warnings on any products that contain the substances set forth in Prop. 65 and subsequently sold to California consumers. We have not specifically analyzed our raw materials and products for these chemicals. However, we work closely with our vendors to determine if any warnings are necessary. Based on the information provided by our vendors, the following Atkins and Pearce products may contain substances over the specific quantities in Prop. 65.

- Astra PVC Extruded Tubing
- Vinylglas PVC coated fiberglass sleeving

 **WARNING:** Cancer and reproductive harm. For more information go to www.P65Warnings.ca.gov.

In the event that the above listed products will be sold in California, you may be obligated to label these products with the statutory labels like the one above. The warning and labeling requirements can be found at: <https://oehha.ca.gov/proposition-65/proposition-65-list>. Please use warnings like the above wherever you execute a sale in California (including online, catalog, phone service desk sales, etc...)

Disclaimer

Information provided by Atkins & Pearce, Inc., on its website or in other communications concerning the content of its products represents its knowledge as of the date set forth above. Atkins & Pearce, Inc. shall have no obligation to supplement such information to reflect any changes in the substances of products or changes in any laws or directives arising after the date set forth above. Atkins & Pearce, Inc. bases its knowledge and belief on information provided by third parties, makes no representation or warranty as to the accuracy of such information, and does not conduct testing or analysis on incoming materials or final products. In no event shall Atkins & Pearce, Inc.'s liability arising from such exceed the total purchase price of the product(s) at issue sold by Atkins & Pearce, Inc. to its customers on an annual basis.
